

A note from the Chairman

Rural Development and Management Institute is about to complete first 25 years of its working. I feel proud and humble to say that RUDMI in this two and a half decade has made substantial progress towards its aims and objectives. The activities of the institute have extended to many crucial areas of development namely education, women empowerment, health and hygiene including mental health, agriculture, entrepreneurship, disability and has helped rural economy to revive through innovative and grass rooted approach.

The year 2021-22 was the year of Corona Pandemic. Some of our staff members were infected by Corona. This slowed down ongoing projects. The difficulties in reaching to the communities in large groups made us to work on one to one and sometimes one to few communications. We tried digital platform also for some of the projects. Our counseling work continued on virtual platform. However, in later part of the year the spread of Corona declined, we have been able to organize a function for “Smt.Nandini P. Divatia Rural Rehabilitation Awards for Disabled” after two years and provided awards to 16 disabled.

This year we got involved in entrepreneurial trainings for Divyangs. We trained 455 Divyangs from 10 villages/towns in last year. The first monitoring report shows that 60% of them are in self-employment and have incremental earning. Others are still trying to make it happen.

Similarly, institute has continued documentation on various government initiatives.

I always wanted that RUDMI should work with farmers to make agriculture viable even for small farmers. The FPO established in 2021-22 increased its activities rapidly. This year company generated TIO of Rs.45 lakhs by selling seeds fertilizers and pesticides from the share capital of more than 5 lakhs. I am also happy to note that institution has organized several trainings for the leaders of FPO. The Board meetings and the meetings of Project Monitoring Committee are regularly organised. The company has agro trade centre and the company very soon will start processing unit in Dasada.

I express my satisfaction to see milk dairies promoted by RUDMI in 2003-04 are not only functional, but are making good income. All women dairy at Zezra has won several acclaims from Sursagar Dairy. I congratulate all women.

The reach of the institution has increased to more than 40 villages and around 10,000 persons through different direct interventions.

This year we also started Ahmedabad Vedanta Society. There are more than 100 members, mainly from academics.

Now our endeavor to reach more people and engage them in rebuilding rural India and thereby new India.

Parikshit J. Divatia
Hon. Chairman

Our Vision :

RUDMI envision a society where poorest of the poor has equal opportunities of development, where people at grass root as primary actors breaking all status quo that they face at present.

Our Mission :

Our mission is to work with people at grass root level and policy/program executives at apex level for creating a new future for the rural India. We try to unleash creativity and productivity of the people, connect them with governments and other institutions through action research, awareness programs, trainings, net working and handholding services.

Thrust Areas :

1. To conduct studies for assessment of the development needs of rural areas, and help design appropriate interventions.
2. To carry out specialized studies and research relating to impact evaluation of various programs/projects and policies and suggest improvement in the same.
3. To develop the network between the people and the institutions interested in rural development.
4. To undertake special capacity building programs for deprived segments of the society including women and divyangs.
5. To promote micro enterprises in rural areas and income generation activities.
6. To undertake any project/programs that can help rural economy/people.

1. Smt. Nandini P. Divatia Rural Rehabilitation Awards for Disabled

Smt. Nandini P. Divatia Awards were institutionalized in 2007 with a view to encourage divyang youth to take vocational training and enter in self employment. The awards consist of cash prize of Rs. 15,000/- and a certificate. The nominations are invited from Institutions working with disabled and provide vocational training in Gujarat and Maharashtra. The awards selection is made by a selection committee with retired high court judge as the head of the committee. The awards are presented by dignitaries like Morari Bapu, Governor of Gujarat, Om Prakash Kohliji, well known laureate Sitanshubhai in presence of disability institutions, parents and friends of awardees, friends of RUDMI etc.

Till the March, 2021, 263 divyangs are presented with awards of which 89 are female. Disability wise highest number of awards goes to Physically Handicap (136), followed by Visually Impaired (44) and Hearing Impaired (44) and Mentally Retarded (39). Over the years now the awards are popular. The numbers of nominations are increasing year after year. Many of the awardees have started something of own and are earning good. This includes stories of a mentally retarded boy, representing India at Special Olympics, story of the friendship leading physically handicap to become photographer and a story of Geetaben saying. "There is nothing more powerful than a woman determined to rise" or a journey of a blind musician of rural area becoming famous in Gujarat.

Activity of last year, at a Glance with the national coming out

After long prevalence of Corona Pandemic in 2020 and 2021 the situation improved and we decided to organise award ceremony. The nominations as usual were invited in August and September 2021. We received around 61 nomination from 31 institutions across Gujarat and Maharastra. Dr. Kumarpal Desai was invited as the Chief Guest and Dr. P. K. Lehri as guest of honour. They blessed all the awardees. The Chairman of RUDMI and heads of all the nominating institutions remained present in this online award presentation program.

25 awardees were selected from Gujarat and Maharastra. The type of activities that they desire to start appears to be conventional in broad categories but surprisingly each one of them have some innovation.

Sr. No.	Name	M/F	Name of Place	Business to be started
1	Vasoya Sonalben Ratilal	F	Mu. Raydi, Ta. Jamkandorna, Dist. Rajkot, Gujarat	Sports Activities
2	Gamitben Minaben Bapubhai	F	Mu. Pahadada. Po. Malangdev, Ta. Songadh, Dist. Tapi, Gujarat	Computer Job Work
3	Kudalkar Jahanviben Deepakbhai	F	Ahmedabad, Gujarat	Online Data Entry Work on Computer
4	Madhubala Rajkumar Saroj	F	Warli, Mumbai, Maharastra	Tailoring Work
5	Damor Gordhanbhai Dashubhai	M	Mu. Paniya, Po. Pethapur, Ta. Zalod, Dist. Dahod, Gujarat	Computer Work

23	Sunita Kaduchand Kakade	F	Mu. Po. Koradgaon, Ta. Pathardi, Dist. Ahmednagar, Maharashtra	Cutlery Store
24	Shreya Manoj Garodia	F	Mu. Po. Mahalaxmi, Ta. Dist. Mumbai, Maharashtra	Visual Art & Craft
25	Mistry Gaurangbhai Chandrakantbhai	M	Mu. Po. Ta. Dist. Ahmedabad, Gujarat	Tailoring

All the proposed activities are based on the local demand. The award money though not sufficient is important component of their total purchase of materials or equipment for the activity that they are pursuing.

Awardees with
Chief Guest Dr. Kumarpal Desai, Chief Guest of Honour Shri P. K. Laheri
Chairman & Director RUDMI

2. Smt. Nandini P. Divatia Counseling Center

This center was started soon after the sad demise of Smt. Nandini P. Divatia. The main objective of this center is to work for mental wellness of the students and elders of surrounded areas. As everyone knows the Corona Pandemic has affected mental wellness of people in a big way, the center in spite of Corona pandemic worked throughout the year mainly to provide one to one counselling.

Activities of last year at a glance

Last year, schools and colleges remained close for major part of the year. People were avoiding going out. We tried to work on virtual platform to the extent possible. Our counselling center at Umiya Collage remained closed during the year. However 35 girls from Umiya College came for one to one counseling at our campus, 115 joined in group counseling.

With a view to understand the divyangs with whom we are working. We decided to conduct emotions inventory test of our awardees. The test developed by Dr. S. K. Mangal and Mrs. Shubhra Mangal is used 20 awardees participated in this test. Divyangs (10 Male and 10 Female) Participated in this test Emotional Intelligence in this test is measured in terms of followings

(1)And (2) Inter and intra personal awareness

(3)And (4) Inter and intra personal awareness

- It is found that divyang youth have by and large low interspersions awareness and management ability which prevent him mixing with others.

The scores indicate very low ability of divyangs in case of intra or inter personal awareness as well as management. However the composition of all the four scores indicates that divyangs are very poor in inter personal management. This can be improved by giving more and more opportunities to divyang to be with normals in case of study, work or even at home.

Livelihood Program for Divyangjan at Kheralu

3. Entrepreneurship Development Centre for Divyangs (EDCD)

Looking to the increasing importance of entrepreneurship for livelihood activities RUDMI is conducting entrepreneurship trainings since its inception for deprived youth and micro producers of rural areas. It has by now trained around 500 rural youth and 100 women in entrepreneurship and large numbers of them have successfully launched their livelihood activities. Some of them from this group have established their business well. In 2019 RUDMI established a special center for Entrepreneurship Development Center for Divyang (EDCD) where we have arranged professional support in 2019. We started with registering the Divyang interested in our services. We also chalked out some services for them.

Activities of last Year at a Glance

Entrepreneurship Development Institute of India (EDII) started the Center for Empowerment for Differently Abled persons known as (CEDA) with the help of Directorate of Social Defense, Gujarat State Handicapped (Divyang) Finance & Development Corporation and Social Justice and Empowerment Department, Government of Gujarat. RUDMI joined hands with EDII for training Divyangs on entrepreneurship and help divyang to upgrade their livelihood security. One of the project co-ordinator of RUDMI was sent to EDII for Entrepreneurship training. One year contract was made for the year 2021-22

Last year we conducted 8 different training programs at different location. Lots of efforts were put in, in selecting trainees for the 1 day training. Local voluntary workers helped a lot in identifying divyangs who can make use of this training. A contract was signed with EDII in March, 2021 for conducting special entrepreneurship trainings in different parts of the Gujarat State for Divyangs. Accordingly during the year 4 awareness programmes at Ahmedabad, Vadnagar, Patdi and Kheralu were organised. Total 157 divyangs participated in these programmes. 2 community outreach Programms were organised at Kathlal and Bayad where 88 divyang participated. Besides this soft skill training of 3 days was organised for 127 divyang of Vadnagar, Visnagar and Satlasana and training on Digital Marketing was conduct for 56 divyang at Ahmedabad and Kathlal. Livelihood Training of 5 days in Kheralu where 31 divyang were trained. Thus now the center has a network of more than 450 Divyangs. The follow up of the trainees is being done and it is found that these training have succeeded in increasing some income from the activity. The vision of divyangs is broadened and confidence to take decisions has increased. Almost 80% of those trained were already in Income Generation Activities.

Those who were waiting to starts something for Livelihood also attended Community Outreach Programme (COP) where they got the basic knowledge. During this training very frank sharing of problem took place. It is understood that to create a sustainable activity is a challenge for disabled as well normals. The government schemes are there but the divyangs many difficulties face in getting assistance from

Government. We have put up some of such issues to CEDA-EDII and have decided to raise them to concerned departments.

4. Farmers Club& Farm Producer Organization (FPO)

RUDMI is working with farmers in many villages of Dasada Taluka since last more than 15 years. Around 600 farmers in fifteen village were mobilised to form village level farmer's club. Times to time the knowledge was being disseminated and connect them with Agriculture department efforts agriculture university ATMA, KVK etc. and efforts were also made to Keep them aware of new developments. We provided training in vermi compost, organic farming, dairying, health and nutrition etc. to these farmers in our long relationship. The farmer's started participating in agriculture exhibitions. We worked on Jal Seva Abhiyaan to spread the message to save the water in more than 20 villages and also participated in janandolan for saving Rupen a local river from builders. In 2019 we helped these farmers in establishing Farmer Producers Company with 328 Members and equity of Rs.03,28,000/-. 2019-2020 and 2020-2021 were years of corona pandemic. In these 2 years lost of efforts were made to explain the concept of farm producer company. Covid – 19 made it difficult to make large meetings so we worked through one to one meeting with meet farmers. They got convened that they can change the agriculture, their economy and their own life by collective actions. It was decided to promote a company under section 8 of Companies Act with paid up capital of Rs.5,00,000/-. We linked FPO with NABARD this is the first FPO in Dasada Block.

Activities of last Year at a Glance

The newly established company got GST registration and also procured license for Agro Center. The company established its office in Dasada in rented premises. The membership increased from 320 to 405 members and share capital from Rs.3.28 lakhs to Rs.5.27 lakhs. The first income tax return is also filed. This year company procured cotton seeds, chana seeds and pesticide together amounting to Rs. 14 lakhs. They also procured final produce chana and wheat. The total turnover (unaudited) is Rs. 35 lakhs. This is a small, beginning the company now need more capital to increase their turnover. It has applied for loan of Rs. 10, 00,000/- from NAB-KISAN.

Our efforts continued to empower the leadership of the company. We organised two day training for BOD and CEO on value chain in Agriculture commodities and markets a visit to other FPO namely Banas Farmer Producer co. ltd. and Agro Science Center of Deesa. The BOD and CEO participated in Agriculture fair organised by Government of Gujarat. We also work to oversee the records of the company Regularity of BOD and PMC is astonishing. The technical support is availed time to time for this company from other experts.

Mr. H. D. Vadi (District Agriculture Officer, Surendranagar,
Mr. Deen Dayal Sharma, Lead Bank Manager, State Bank of India, Surendranagar
Mr. Arashu Barnabas, District Development Manager (DDM) NABARD, Surendranagar
Mr. Vipul Pandya, Project Co-ordinator, RUDMI & Board of Directors was present at
PMIC meeting held on 2nd July 2021

5. Basic Foundation Training for Village Panchayat

Government of Gujarat decided in 2017 – 18 to provide basic foundation training to all the members of gram Panchayat. RUDMI having faith in the potential of Gram Panchayat to contribute to rural development took up this opportunity. In past also it conducted training for members and leaders of Gram Panchayats.

SIRD invited RUDMI to conduct trainings of Village Panchayat for three districts namely Rajkot, Morbi and Gir Somnath in 2017-18. There were 8890 elected village Panchayat members in these 3 districts. So, in terms of volume, it was a massive task. During 2017-18, 2144 members of Rajkot district, 1170 members of Morbi district and 427 members in Gir Somnath were trained. The assignment continued in 2018-19 and RUDMI was assigned one more district with 1538 members – namely Narmada for the same work. In 2018-19 another 264 members of Morbi and 699 members of Gir Somnath while 1496 members of Narmada district were trained.

In 2019-20, 102 members of Morbi district, 42 members of Narmada district and 1047 members of Rajkot district were trained.

Activities of last Year at a Glance

This year we trained village Panchayats of Rajkot district on Gram Panchayats Development Plan and provided them the necessary skills for preparing Development plan for their own village. Almost 4355 members' from 1169 Panchayat and village level functionaries and were trained during the year.

We also organized 130 training under Gram Panchayat Development Plan (GPDP) and covered 535 villages of Rajkot district and 349 villages of Morbi District. The training was given to Panchayat members and other village functionaries.

6. Education Support Program

Quality of education is deteriorating and local colleges are not an exception to this. An attempt is being made to evolve appropriate benchmarks for quality education. The new education policy has also emphasized this. We have with our expertise in designing and implementing ex-curricular and co-curricular activities for the students, entered in a MoU with Shree Umiya Arts & Commerce Girls College, Ahmedabad for 3 years starting from 2019-20 as their consultant on ex-curricular and co-curricular activities. Unfortunately the college could not work regularly due to pandemic and so we could not work on this assignment in a significant way.

Activities of last Year at a Glance

New Education Policy 2020 emphasize on multidisciplinary ex curricular activities. RUDMI since last '3' years is working with Umiya College as education consultant. Our role include

- A.** Designing the program of training work experience and soft skills.
- B.** Execute the program.
- C.** Monitor the learning outputs of the students

We entered in MoU with the college in June 2020 However due to pandemic, colleges were closed for more than last 2 years since January 2020. However in spite of this bottleneck 1100 students in 7 batches were explained the importance of counselling we also organised one month training on yoga where 120 girl students of Umiya collage participated. All the participants were provided with certificate. A special Manual is prepared for lay counselling. A training programme is announced on social media.

Besides this we conducted session on fear and coping methods at J G Arts and Commerce College (200 Students) and at DCM Desai College on stress and Stress Management (350 Students)

7. Women Enterprise:-

Rural Development and Management Institute (RUDMI) from the beginning considers Women Empowerment as the fundamental issues in development. We started with skill building and economic empowerment. Women entrepreneurship has been our main focus. But in the process different stigmas and social block heads led us to work on issues like women security and safety, domestic violence, female feticide and legal awareness by now, RUDMI has served more than 15000 women.

Besides this mobilised women entrepreneurship and to participate in hat organised by Women's Economic Development Corporation. They had very good experience and earned income of Rs. 2000/- to Rs. 6000/- in a day.

We also participated in one day workshop with women entrepreneurs in a workshop on Motivation to homepreneur to an Entrepreneur Almost 300 women participated in this program.

Activities of last Year at a Glance

This year we had online lecture on R3 Recognize, Resist and Report for girl students of Umiya collage. Some 860 students participated in it.

We also worked with Women Entrepreneurship and provided online training on digital marketing. The training has been very useful to all these women who are still at infant stage.

8. Amadavad Vedanta Society

Looking on the increasing quest for spiritual knowledge, a special cell named as Amdavad Vedanta Society (AVS) is established on January 21 with a very able board of advisors comprising of Shri P. J. Divatia, Shri P. K. Laheri (former chief secretary), Dr. Vidyut Joshi, Shri Kumarpal Desai, Prof Vijay Pandya, Dr. Prashant Dave and Dr. Shraddha Modi, Mr. Karansinghji, ex M.P. of Loksabha & Rajyasabha has consented to be a special advisor to this society. The society registered 75 members till March 2021.

The society is expected to

1. To establish Library on Vedanta and name it as Kshitish J. Divatia Vedant Pustakalay. The library will be open for everyone.
2. To organise lectures time to time on the subject.
3. To publish small booklets/books on Vedant.

Dr. Karansinghji (Former Member of Parliament and Scholar on the subject) delivered inaugural lecture on 12th January, 2021 on zoom platform. The society has started registering members only. The membership form is available on Google <https://forms.gle/r3zxQY3oPVjkX7Nj8> Some 75 members are registered as on 31st March, 2021. We have also started, forwarding YouTube link of good lectures to our members. So that he/she may not have to search for the same. We till March 31st, 2021 forwarded 22 lectures.

Activities of last Year at a Glance

1. The membership of AVS increased to 95 from 75 in previous year.
2. The link of 36 lectures was forwarded to more than 72 persons.
3. Three lectures were organized. Following are the details.

Sr. No.	Speaker	Subject
1.	Dr. Karansinghji	The message of Bhagavad Geeta
2.	Dr. Gautam Patel	Narsinh Mehta and Vedant
3.	Swami Shree Nikhileshwaranandaji	Vivekanand and Vedant

9. Monitoring of Dairy Milk Co-operative

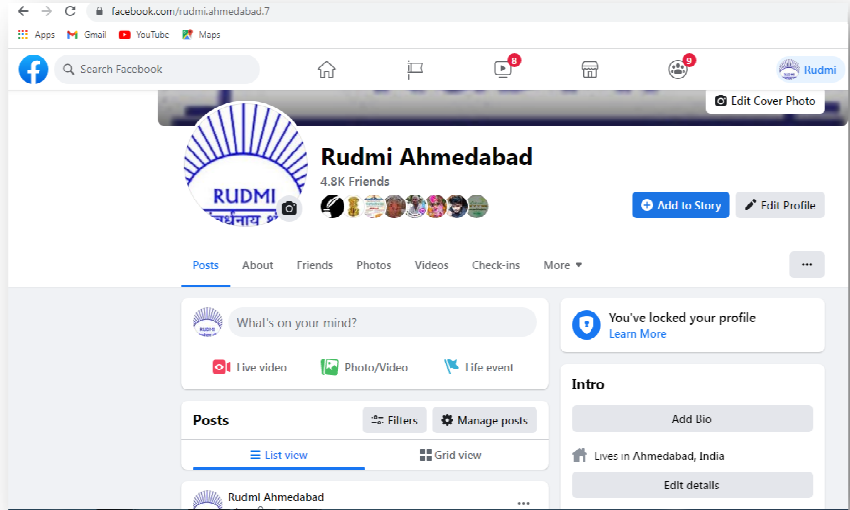

RUDMI promoted 16 milk co-operative in villages of Dasada Taluka of Surendranagar District before 12 years and is doing its monitoring on yearly basis. All the milk co-operatives are functioning well and are generating sizeable income for themselves. This year on an average each member received Rs. 70,000/ which helped them in these difficult days of pandemic. During the year, with production of milk were 20.25 lakh liters, consisting 19.53 lakh liters cow-milk and 72.00 lakh liters buffalo milk. The average fat of buffalo milk is found at 8 percent and cow milk at 5 to 6 percent. The average price worked out at Rs. 301/kg of fat for cow milk and Rs.645/ kg. fat for buffalo milk.

RUDMI in Social Media

RUDMI has its website www.rudmi.org, which provides all information about the institute and its activities.

We have been active on face book during last one year. We uploaded at least 7 lectures on mental health 2 E books and survey reports are also available on face book. The details of some of the programs conducted during the year, and some of the success stories are available on our face book. The face book account has 4823 friends.

RUDMI in Print Media

Newspaper Coverage

Some of the programs of RUDMI were covered by press, particularly program relating to hygiene, education work in Divyabhaskar”
